EDUCATION

Bachelor of Technology in Computer Science, GLA University, Mathura	June 2027
Intermediate, H.S.P. School, Mathura	May 2023
High School, B.P.V.M School, Mathura	May 2021

INTERNSHIP/ TRAINING EXPERIENCE

Job Oriented Value-Added Course, GLA University, Mathura June 2025 – July 2025

Trainee Full Stack Development Using Java.

- Learnt basics of HTML, CSS, Java Script and Java.
- Post completing the training, created a Project named “File Upload Api”, by using Java Script.

PROJECTS

1. File Upload Api July 2025-November 2025

Technologies: Java, Spring Boot, REST API, MySQL, Multipart File Handling

- Developed a RESTful File Upload API using Spring Boot to upload, store, and retrieve files.
- Implemented multipart file handling for secure and efficient file uploads.
- Stored file metadata in MySQL database and managed file storage on the server.
- Created endpoints for upload, download, and delete operations.
- Tested APIs using Postman and ensured proper error handling and validation.

2. Parking Management System February 2026-April2026

Technologies: MERN Stack (MongoDB, Express.js, React.js, Node.js)

- Developed a full-stack web application to manage parking slots, vehicle bookings, and user records.
- Built secure REST APIs with JWT authentication and integrated MongoDB for data management.
- Created responsive React.js interfaces for real-time parking availability, booking management, and automated billing.

SKILLS

Programming Languages: Java, HTML, CSS, Java Script, My Sql.

Technologies: MERN, Cloud Computing.

Core Technical Subject: OS,DBMS,CN.

Tools: Git, Github,Postman

Soft Skills: Time Management, Team Work, Quick Learner.

PROFESSIONAL ACHIEVEMENTS/ INSIGHTS

- **Machine Learning & GenAI Workshop Certification** – Completed 8-hour hands-on session organized by IEEE Student Council at GLA University, mentored by a researcher from Harvard University (2026).
- **Oracle Cloud Infrastructure 2025 Certified Foundations Associate** – Earned OCI certification demonstrating knowledge of cloud concepts, core OCI services, security, and architecture (Valid till Nov 2027).
- **Full Stack Development using Java** – Completed professional training at KVCH Pvt. Ltd. covering Java, Spring Boot, MySQL, REST APIs, HTML, CSS, and backend development.

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
